RE: Declaration of Similarity

To the Director of Radio Research Agency,

This letter serves to declare the Johnson Outdoors Solix10 Series of products contain the following model variants:

Solix 10

Solix 10 SI

We also declare that model variants are identical and differ only in software. The Solix 10 SI having the most functionality was presented for testing to represent all model variants.

Sincerely,

A handwritten signature in blue ink, appearing to read "Greg Massey".
